Janice Carver

Smile though your heart is breaking;
Smile even though it's aching.
When there are clouds in the sky, you'll get by,
If you'll smile through your tears and sorrow;
Smile and maybe tomorrow,
You'll see the sun come shining through for you.

Lift up your face with gladness;
Hide every trace of sadness.
Although a tear may be ever so near,
That's the time you must keep on trying.
Smile, what's the use of crying?
You'll find that life is still worthwhile;
If you'll just smile.
